It is essential that every Proposer or Insured, when seeking a quotation to take out or renew any insurance, discloses to the prospective Underwriters all material facts and information (including all material circumstances) which might influence the judgement of an Underwriter in deciding whether to accept the risk and on what terms. The obligation to provide this information continues up until the time that there is a completed contract of insurance. Failure to do so entitles the Underwriters, if they so wish, to avoid the contract of insurance from inception and so enables them to repudiate liability. If you have any doubt as to what constitutes a material fact or circumstance please do not hesitate to ask for advice. Unless agreed to the contrary, this insurance shall be subject to English Law.
